MEMORANDUM FOR: ALL SD WING CAP MEMBERS

FROM: SD WING/CC

SUBJECT: SD Wing COVID-19 Phase 0 Remobilization Flying Authorization

1. The SD Wing COVID-19 Remobilization plan has been updated to Phase 0. This restricts all activities to mission essential functions across the Wing.
2. Previous NHQ memos restricted certain flying and training during Phase 0. Updates to those restrictions are contained in:
  - a) NHQ memo dated 1 July 2020, Subject "Ongoing COVID-19 Operations", authorizes Wing Commanders may permit Phase I flying for Wings still in Phase 0.
  - b) NHQ memo dated 29 September 2020, subject "Flying Operations in Remobilization Phase I and II", authorizes Cadet Orientation Flights for Phase I operations.
3. SD Wing is in Phase 0 effective October 9<sup>th</sup>, 2020.
  - a) Form 5 and Form 91 flight evaluations, dual instruction, proficiency flights, and mission aircrew training are now authorized for members of the SD Wing Civil Air Patrol.
4. Pilots and aircrew are to follow sanitization & mask wear procedures as outlined in SD Wing Remobilizations plans found on the website:
